RULES FOR THE JAM

- Be kind. Zero tolerance for bigoted behavior or harassment, in person or online.
- If you need any help, message an organizer in the Discord or grab one in person. We will handle it.
- Start fresh. Your game has to be started at the jam, no old projects.
- Engines, libraries and free assets are fine. Credit everything you did not make yourself.
- Clean up after yourselves.

AI RULES

- We do not condone any AI use for Art, Music or Assets.
- We understand that you may still be inclined to use some AI, so you MUST label your submission for AI use in order to ensure fair judgement.

GET CODING!
Yay!

Consistency is key!!!

Heading | Agnets

- Text Size: 200 or 150
- Only for title or REALLY important slides

Subheading | SCR-N (Seven/Five) Extra

- Text size: 60 or 80
- For the heading of the content slides

Body Text | Courier New

- Text Size: 30 or 40
- For the general text of the content slides

Within the slides, there are filler text boxes for the text sizes for the different styles. Try to be consistent with the font sizes if you add more text boxes! Thank you :)
